KLIM Badlands Pro Jacket & Pants

The brand new **Badlands Pro Jacket and Pant** from KLIM represents the latest design, fit and material technologies available to the premium adventure motorcycle market. Inspired by the ultimate performance of the unmatched Adventure Rally product line, the KLIM Badlands Pro focuses on a sleek, un-inhibiting fit, durable-yet-comfortable fabrics, high-end integrated armor and the undeniable performance of our GUARANTEED TO KEEP YOU DRY® GORE-TEX® promise. Ready for anything, and boasting unique features you've come to expect from KLIM, the Badlands Pro is ready for any ride.

KLIM Latitude Jacket & Pants

The **Latitude Jacket and Pant** enter KLIM's adventure lineup as true pioneers. Featuring an apparel industry first full-body Cordura® and GORE-TEX® laminate construction, the Latitude delivers legendary KLIM guaranteed waterproofness, supreme breathability and undeniable toughness in a package of tremendous value. KLIM's proprietary construction technique laminates the GORE-TEX® membrane directly to our custom 840D Cordura® off-road spec shell material. The result is a jacket fitted for any adventure, infused with quality armor and accessories, and backed by the heritage of the world's most technical riding gear brand.
